	<i>With vacuum breaker</i>	92952563
	<i>With vacuum breaker & Jiffy hose</i>	92952621

Features:

- A pull of the hand grip turns the Eco-Spray on; release and it's off!
- 1.17 GPM single-stream spray valve with efficient V-shaped spray pattern
- No water pressure in the hose when in the "off" position, helping save on hose replacement and out-of-service time
- Help avoid injuries, burns and strain to dishwasher hands with the unique no-trigger, comfortable spray valve design
- No separate hang-up for hose – simply push to one side when not in use
- Stainless-steel enclosed shut-off valve
- Heavy-duty 200-psi hose
