

FOOL✓PROOF

FLOOR CLEANING

SIMPLIFIED PROCEDURES

Clean floors, maintain drains and sanitize surfaces with one easy-to-use, no-rinse product

LESS SLIPPERY FLOORS

Help reduce slipperiness and improve floor safety¹

VISIBLE RESULTS

See and feel the difference with floors that are actually clean in front and back of house

Designed for fast-paced food service operations, EPA-registered² **Ecolab® Sanitizing Floor & Drain Cleaner** lets you skip the rinse step while delivering powerful grease breakdown, sanitization and drain cleaning — all in one solution.

¹ Ecolab partnered with an independent lab to measure the impact to the DCOF with Sanitizing Floor & Drain Cleaner. See white paper for more details: *From Slippery to Secure: The Science of Safer Floors*.

² EPA Reg. No. 1677-278

³ Based on internal testing against Oasis™ 115 XP Extra Strength Floor Cleaner Concentrate according to industry standards and best practices. Individual experiences may vary. Visit Ecolab.com/LaborSavers for more info.

No rinse. No complexity. Just clean.

Optimize floor procedures in front and back of house with a single no-rinse cleaner and sanitizer that works with hot or cold water.

Saves
312 

Gallons of water per case
by eliminating rinse step

“ Immediately began noticing color changes in grout —
not deterioration but actually getting clean.

- Leading Regional Restaurant Chain

”

Increase efficiency

A single, no-rinse
product for floors
and drains

Save **11 min.**
per day¹ by
eliminating the
rinse step

Annual savings of
~\$1,205¹

Get a clean you can see

Makes floors look and feel
cleaner in back of house
and front of house

89%² of market
test customers very
satisfied with ease
of use
