ECOLAB[®]

The Aqua Balance™ Benefit

Digital Intelligence

Support

Chemistry

Equipment

- Comprehensive program has you covered to **help meet all your pool and spa needs**
- **Easily manage your budget** with a standard monthly rate and no upfront capital expense for dispensing equipment
- Consistent program to **help optimize pools for all of your locations** nationwide
- Beyond pools, Ecolab partners with you across your operations to **protect your brand**

Help improve pool and spa operations and reduce risk

Monitor your pool quickly and easily with digital tools

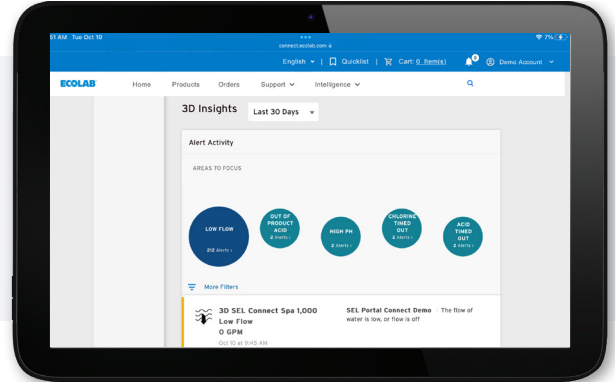

Our wireless technology gives you 24/7 access to **manage and proactively improve** your pool operations.

Real-time data

- Monitor pool performance at a glance

Notifications and alerts

- Quickly diagnose and troubleshoot issues

Reporting

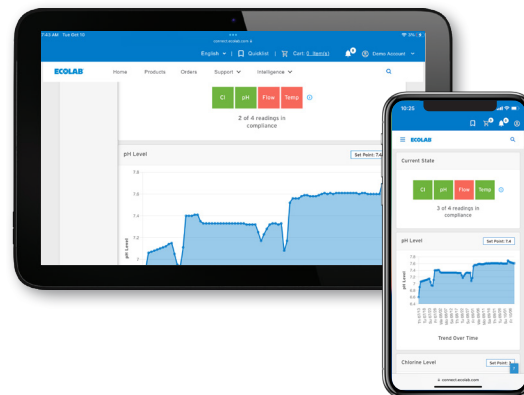

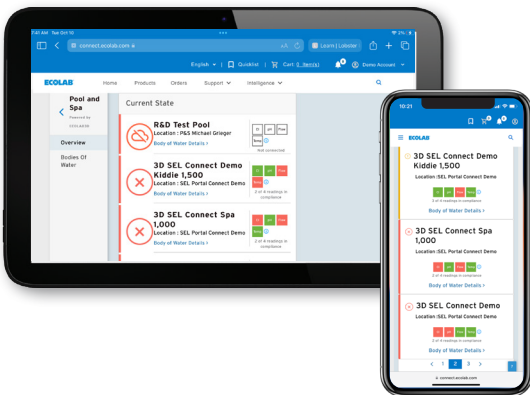

Benefit from real-time data, performance trends, and on-demand access to troubleshooting guides

Comprehensive Summary

- Quickly check the health of all your bodies of water
- Color indicators flag issues

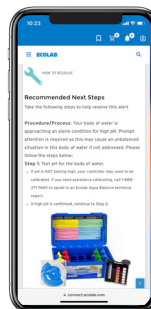

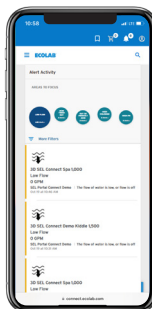

Body of Water Detail

- Dive deeper into performance
- See trends in pH, chlorine, and flow activity

Alert Activity

- Identify and tackle problems with ease
- Prioritize top alerts
- Access troubleshooting steps

A partner you can count on

As the market leader for **over 30 years**, Ecolab knows that managing a well-run operation requires more than just managing pool chemicals.

Our consultative approach helps you:

- **Select** the right chemicals
- **Optimize** equipment life
- **Conserve** water and energy
- **Reduce** labor costs

Holistic support when you need it

- **Flexible** employee training
- Regular **preventive** maintenance
- **Procedures** and wall charts

Remote technical experts

- **Solve tough challenges quickly**
- **Remote access** to your pool operations

750+ CPO-certified representatives servicing over 10,000 bodies of water across the country

Our complete program has you covered

Cal Hypo Program

Easily tackle busy pools with high need

- **Solid Calcium Hypochlorite tablets** are easier and safer to handle than liquid chemicals
- Calcium base helps **preserve pool surfaces** and reduce maintenance
- Lower pH of Cal Hypo tablets helps **reduce acid consumption over bleach by 44%**

Pure Comfort Program

Provide the ultimate guest experience

- Onsite chlorine generation **requires less packaging and handling of chemistry** than bleach pools
- Premium feel **minimizes irritation and unpleasant chlorine smell**

Superior equipment and chemistry no matter which program you choose

- **Automatic** dispensing
- **Digitally-connected** controller
- **Flexible** offerings for **small to large** pools and spas

Aqua Balance accessory products

- **Proven solutions** for all your pool and spa needs
- Quickly bring your pool **back into balance** and help **protect your investment**

Equipment, parts, and more

- **Comprehensive portfolio** helps meet all of your pool and pump room needs
