

A Hard-Working Ergonomic Laundry Program

Ecolab Solid Laundry Program

- ▲ Enhance guest and residence safety with skin friendly pH and sanitization
- ▲ Advance simplified procedures and training
- ▲ Help promote safety with sanitization
- ▲ Enable consistent results and operational effectiveness with out-of-product alarms

*Ecolab Laundry Program, along with Ecolab laundry experts and a strong focus on stain removal and rewash reduction, can potentially **help reduce your rewash rate to 3-5%***

¹ According to Rewash: Money Down the Drain published in 2017 by American Laundry News, the national average reject rate is 3-5%.

Ecolab Solid Laundry Program

Tackles tough stains, which is the biggest challenge of laundry professionals¹ and the #1 reason for discarded linens²

- High-performing stain fighting removes stains and restores whiteness and brightness across various laundry conditions

Promotes Safe, Simple Operation for Staff

- Requires less physical strain compared to traditional liquid laundry programs
- Closed-loop system reduces exposure to chemicals
- Easy-to-use and simplifies training
- Help reduce rewash and enable consistent results with out-of-product alarm

22%
of hotels reported
injuries involve
improper lifting and
carrying heavy objects³

¹ 77% of laundry professionals in the lodging industry said stain removal presents their biggest challenge.

2012 Ecolab Laundry Habits and Practices Study. Conducted by Satisfaction Management Systems. Reported in February 2013.

² Ecolab in Market Linen-Life Research, June 2014.

³ Loss Prevention COMPInsiders, Top Injuries in Hotels and Motels, Summit Consulting LLC, 2020.
