Floors Done Right

Clean floors aren't a luxury, they're a necessity—one that requires the investment of limited resources. At Ecolab, we understand this better than anyone. We know that every type of floor surface has its own unique maintenance challenges, which is why we've developed the Ecolab Floor Care Program.

Our world-class floor care products have been engineered to give you maximum clean and maximum effectiveness with minimum effort. Plus, our world-class training and support programs are designed to teach you and your staff everything you need to know for proper application techniques. Our 3,000+ Ecolab sales and service associates are available to assist you 24/7/365.

That means, with Ecolab Floor Care, floors are done right the first time.

The Ecolab Promise

At Ecolab, we live and breathe clean floors. That's why we spend our time developing the world's best floor care solutions. Our dedication to innovation and the success of our customers is what makes us their indispensable partner.

Personally delivered SERVICE

To be truly successful, you need a partner who is as committed to your success as you are. That's why we ensure our customers have everything they need—from help choosing the right product to comprehensive training and support. Our quality service and support delivered directly to you is what sets us apart.

Commitment to INNOVATION

You need floor care products that are continually evolving. Our dedication to research, development and continuous innovation means that we can always offer the best floor care solutions on the market today. Efficiency, safety and sustainability are the benchmarks on which we stand, and with Ecolab, that's what you get.

Comprehensive SOLUTIONS

You know that different floor types come with different challenges. That's why, at Ecolab, we've got everything you need in floor care maintenance, from our comprehensive line of products, tools and dispensers to our dedicated service and personalized training solutions.

At Ecolab, we spend our time thinking about every aspect of your floor care maintenance regime, so you don't have to.

Floors That Make a Lasting Impression

Cleanliness from the ground up makes a lasting impression. That's why Ecolab's floor finishes and strippers keep both you and your floors looking good—year after year.

Challenges: Ineffective floor maintenance is costly

- Floor care maintenance is labor intensive and disruptive
- Keeping floors clean is time-consuming and costly
- Correct floor care procedure requires ongoing training and management, which can be difficult and expensive to coordinate

Solutions: Reach for a higher standard of efficiency

- Using the right products for your floor helps make your environment inviting
- With the right solutions, you can improve floor care effectiveness while minimizing impact, downtime and costs
- Improve the effectiveness of your maintenance procedures with targeted service and training programs

Phazer™ The Mobile Floor Care System

GET GREAT-LOOKING FLOORS WITH LESS EFFORT

Make it easy on your staff with Ecolab's patented, ergonomic floor finish application system. It delivers ultimate comfort while they apply floor finish. The contoured fit means less product and packaging waste and greater overall productivity.

Floor Strippers

Linoleum Floor Stripper

Suitable for use on most pH-sensitive floor types, including linoleum, asphalt and rubber tile. Can also be used as a neutral, intensive cleaner for natural stone surfaces such as terrazzo, marble and granite.

6100023

2.5 gal

Lift-Off® Aerosol Floor and Baseboard Stripper

Powerful foam floor finish stripper and heavy-duty cleaner that is ideal for the complete removal of finish buildups and soils on and around baseboards, corners, equipment, ceramic walls, floor tile and other awkward areas. Free rinsing leaves no residual film.

6169504

12 x 18.5 oz

Floor Neutralizers

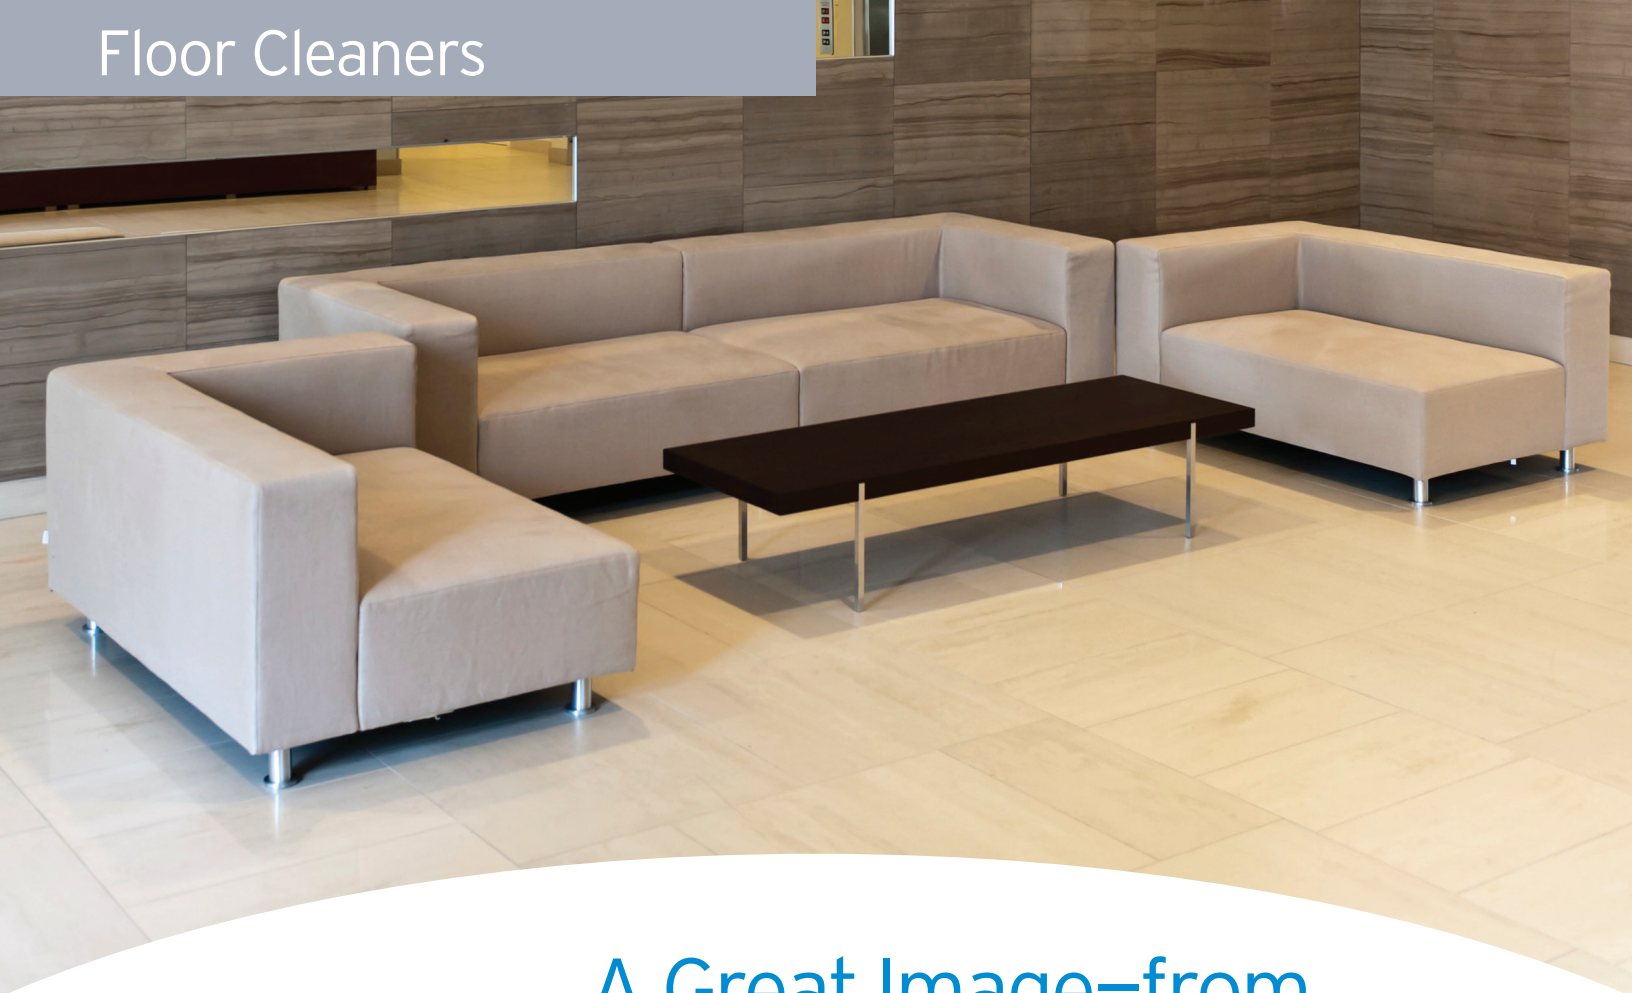

Prep Pak™ Neutralizer/Conditioner

Ensures proper adhesion and performance of floor finish by removing stripper residue before recoating. Dissolves ice-melt compound and helps remove limescale. Packaged in convenient, pre-measured, water-soluble packets.

6191402

90 x 2 oz pkts

A Great Image—from the Ground Up

You're on show as soon as you open your front door, and looking your best starts with your floors. You know that image matters, so caring for your floor requires effort and attention.

Challenges: A dirty floor gives a bad first impression

- First impressions count, but keeping floors looking their best is costly and time-consuming
- Different floor types require different floor cleaners. But knowing what to choose can be a challenge
- High-traffic areas are hazards for slips and falls due to soil buildup and need extra attention

Solutions: Looking sharp is easier than you think

- A daily floor-cleaning ritual ensures a positive experience every time someone walks in your door
- The right floor cleaner will protect your investments for years to come
- Choosing the right product for your floor type is imperative for clean, safe floors

There's a Big Difference

Don't make the mistake of thinking all cleaners are the same

All floor cleaning products are not designed for all surface types. Some floor cleaners simply won't do the job on certain substrates; that's why choosing the right product for your floor is vital to keeping it clean, safe and looking its best.

Neutral Floor Cleaners

- Neutral floor cleaners are effective for removing general soil and grime
- These are good for the daily maintenance of floors that experience light to medium traffic
- They are safe to use on most flooring types and will not damage natural or high-gloss surfaces

Alkaline Floor Cleaners

- Alkaline cleaners are the best for removing greasy buildup and higher amounts of soil
- Alkaline cleaners do a great job removing ground-in dirt from finished floors
- These are the best daily cleaners for floors with medium to heavy soil loads

Neutral Floor Cleaners

No/Low Maintenance Flooring Cleaner and Protector

Simple, daily-use solution for cleaning and repairing no/low maintenance flooring, such as luxury vinyl tile (LVT), laminate rubber, sheet vinyl and linoleum. Cleans soils and repairs minor scratches at daily use level and repairs scratched floors quickly at higher concentration levels. Helps maintain the original look of flooring without adding any gloss or traditional floor finish coating.

6101945	2 x 1.3 L (QC™)
6101941	2.5 gal (Oasis)
6101946	6 x 64 oz

High Performance Ultra Concentrated Neutral Floor Cleaner *

Neutral floor cleaner designed for daily use in automatic scrubbers and mop buckets. Powerful blend of surfactants helps remove soils without leaving a film or haze. Cleans without removing finish or dulling gloss and does not require rinsing. Safe on all floor types. Very low sudsing. Pourpaks are portable and portion controlled for spray bottle or mop-and-bucket applications.

6100838	50 x 2 oz (Pourpak)
6100082	2 x 1.3 L (QC™)
6100036	2.5 gal (Oasis)
6100078	6 x 64 oz
6105330	55 gal (Quik Fill™ Magnum)

Xpressway™ Neutral Floor Cleaner

A ready-to-use neutral floor cleaner for daily use on all floor types. Ideal for quick cleanups on entryways, reception areas, stairs and hard-to-reach places. It will not affect floor finish. Use with the Xpressway™ Mop system.

6111222	6 x 1 L
9202-1080	Xpressway™ Mop

Sure-Pak Neutral Cleaner

Multi-purpose neutral cleaner with odor counteractants and emulsifying power for daily cleaning and maintenance of all resilient floor surfaces. Sure-Pak does not leave a film or haze and does not require rinsing. Packaged in convenient, pre-measured water soluble packets for easy dilution.

6101409	90 x 2 oz pkts
---------	----------------

*GS-37 Certified

Alkaline Floor Cleaners

MAXX Dual Action Floor Cleaner

Dual-purpose alkaline floor cleaner for daily maintenance and scrub and recoat use. Clean, fresh scent is less disruptive for daily cleaning while ultra-low-foaming technology increases auto scrubber productivity.

6100839
6100433
6100776

90 x 2 oz pkts

Nothing Says “Welcome” like Beautiful Carpets

Carpeted floors are a welcoming sight. That’s why you need to do everything you can to keep them looking and smelling their best.

Challenges: Carpets require constant attention

- Carpets that are worn, tatty and smelly send the wrong messages
- High foot traffic and moveable equipment take their toll on carpets
- Poorly maintained carpets impact indoor air quality, putting everyone at risk
- Carpet maintenance can be disruptive, noisy and labor intensive

Solutions: Keep carpets looking like new

- An effective carpet maintenance regime reduces health and safety concerns, improves air quality and sends the right messages
- The right carpet care solutions reduce fiber damage from soiling
- Effective carpet care training will reduce maintenance time, labor costs and disruption

Revitalize™ For Irresistible Carpets—Year After Year

For carpets that look sharp and work hard

No matter how much traffic your carpets get, to remain irresistible they need to be clean and odor free. That's why Revitalize™ is the only line of carpet cleaning products that has the answer to all your carpet care needs.

Revitalize™ Biological Spotter and Odor Eliminator

You can't predict when accidents will happen. That's why Revitalize™ Biological Spotter and Odor Eliminator quickly eliminates pathogen stains like blood, urine, vomit and other odor-causing compounds.

Revitalize™ Miracle Spotter

Perfect for cleaning up common and unknown spots and stains, from food spills to foot traffic and everything in between.

Revitalize™ Chewing Gum Remover

When your carpets get sticky, you need Revitalize™ Chewing Gum Remover. It removes all things sticky, from chewing gum to candle wax.

Revitalize™ Grease and Oil Spotter

There's nothing tougher on carpets than grease and oil. Revitalize™ Grease and Oil Spotter removes tar, grease, oil, crayon, lipstick and even shoe polish from carpet fibers.

Get all four Revitalize™ carpet stain spotters in one handy kit.

Carpet Spotters

Revitalize™ Miracle Spotter * †

One-part, stabilized chemistry uses the power of peroxide for removing the most stubborn soils. For use on all carpet types.

6101125

4 x 22 oz

Revitalize™ Biological Spotter and Odor Eliminator

A highly effective, ready-to-use, enzyme-based product for the removal of organic stains and related odors. Great for food stains, urine and all odors. Eliminates malodors at the source with no fragrance coverup. May be used on all synthetic carpet types.

6101144

4 x 22 oz

Revitalize™ Chewing Gum Remover

Effectively freezes gum and candle wax so they can be quickly chipped away. Leaves no residue. Non-butyl. Contains no chlorofluorocarbons. Use on all carpet types.

6101161

12 x 5 oz

Revitalize™ Grease and Oil Spotter †

A carpet spot remover specially formulated for removal of oil and grease stains. Leaves no oily residue, preventing resoiling. May be used on all carpet types.

6101145

4 x 22 oz

Revitalize™ Spotting Kit

Easy-to-use, lightweight spotting kit. Hang on cleaning carts for easy transportation. Kit includes: Revitalize™ Miracle Spotter, Revitalize™ Grease and Oil Spotter, Revitalize™ Chewing Gum Remover and Revitalize™ Biological Spotter and Odor Eliminator.

6101157

†WoolSafe Certified

Carpet and Encapsulation Cleaners

Revitalize™ Carpet and Upholstery Extraction Cleaner * † † †

Superior extraction chemistry with excellent penetration, soil lifting and cleaning performance. Use as a restorative cleaner on all carpet types. Use with carpet extractors.

6195074	4 x 1 gal
6195077	2 x 2 L
6195078	2.5 gal

Revitalize™ Carpet and Upholstery Prespray Cleaner * † † †

Fast-drying prespray cleaner that removes most types of grease and common soils. Exceptional as a pretreatment spray on traffic lanes prior to extraction or shampooing. Also effective as a spin bonnet cleaner for interim use. May be used on all carpet types. Use with pump-up sprayer followed by extraction or conventional spin bonnet machine.

6195060	4 x 1 gal
6195062	2 x 2 L
6195069	2.5 gal

3 in 1 Carpet Cleaner and Spot Remover * † **

3 in 1 product that can be used as an extraction cleaner, pre-spray cleaner and a carpet spotter.

6102024	4 x 1 gal
---------	-----------

Revitalize™ Encapsulation Carpet Cleaner *

Low-moisture interim cleaner that uses a polymer technology to encapsulate the soil and help prevent it from reattaching to the carpet. Soil is removed during the next scheduled vacuuming. Great for quick turnaround in high-traffic areas with a dry time of less than 30 minutes. Use on all carpet types. For use with pump-up sprayer, encapsulation equipment and/or carpet brush.

6195099	4 x 1 gal

**Safer Choice Certified

Ancillary Carpet Products

Revitalize™ Anti-Soil Treatment

Specialized treatment for protecting carpets from stains and soiling. Revitalize™ Anti-Soil Treatment is an effective soil retardant that may be used on all carpet types. For use with pump-up sprayer.

6195025

4 x 1 gal

Revitalize™ Defoamer

Effectively eliminates troublesome foaming in carpet extractor recovery tanks. Improves operational efficiency by reducing the need to empty the recovery tank.

6195113

4 x 1 gal

Revitalize™ Non-Browning Treatment

A neutralizer rinse that eliminates browning caused by water staining and over-wetting. Also effective in neutralizing ice-melt compounds and tracked-in salts on carpets. May be used on all synthetic carpet types.

6195036

4 x 1 gal

Revitalize™ Rug and Room Deodorizer

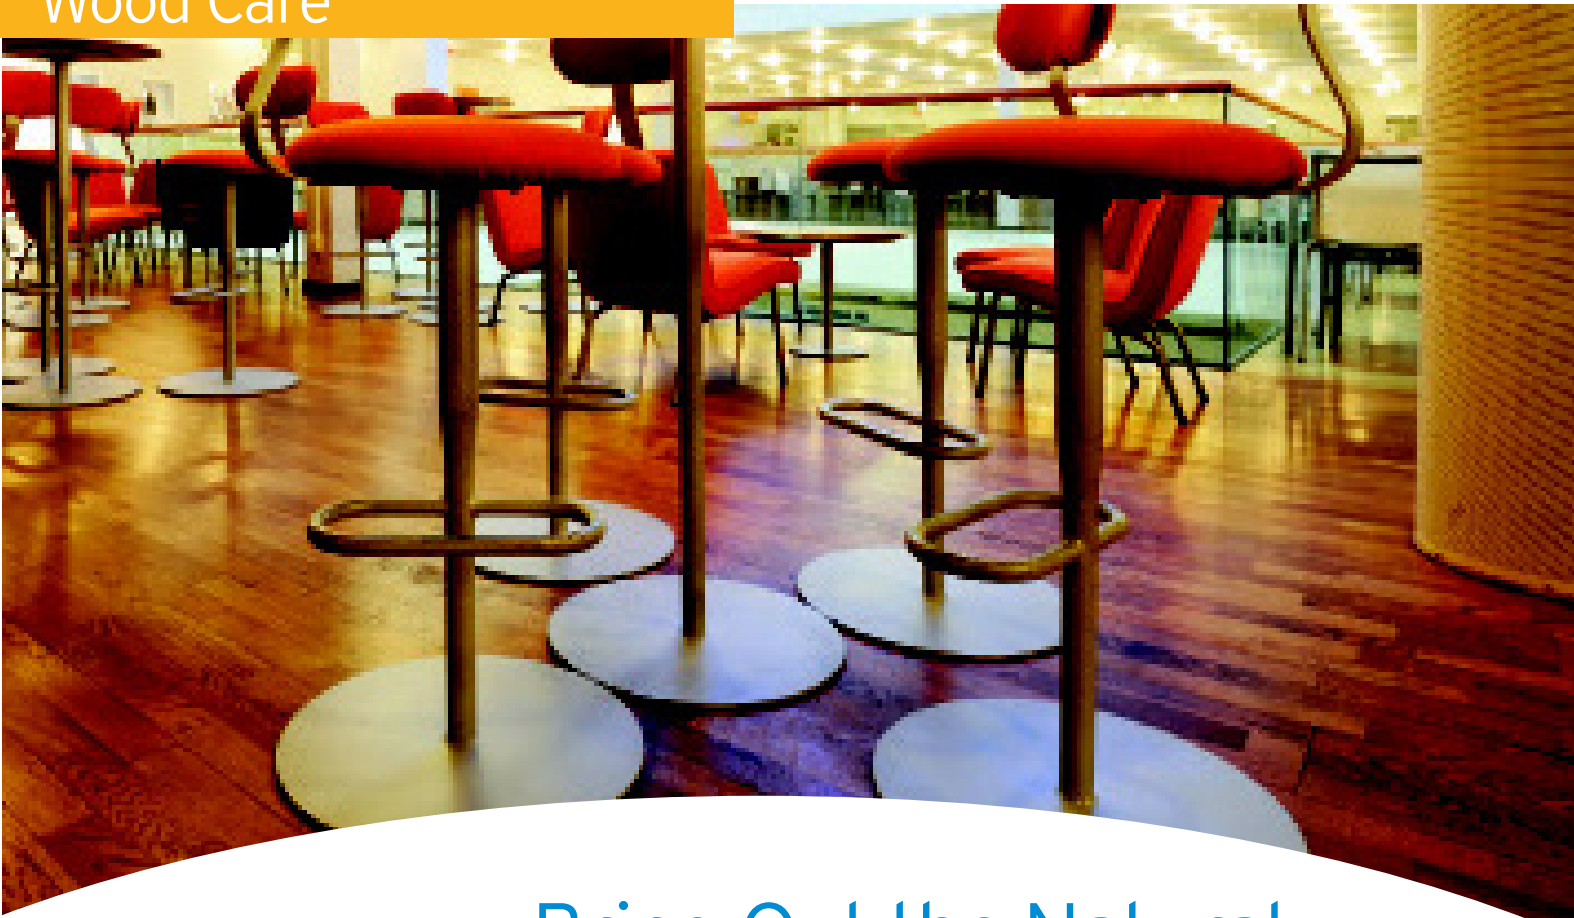

A pleasantly scented rug and room freshener for use with any vacuum cleaner to freshen both the carpet and room in one easy step. Overcomes odors from smoking, mustiness and general occupancy.

6195141

12 x 22 oz

Bring Out the Natural Beauty of Wood

There's nothing more alluring than the beauty of natural wood floors. They're versatile and appealing, and well worth protecting. That's why you need cleaning solutions that will keep wood floors looking their best for years.

Challenges: Wood floors require maintenance

- Dust and dirt buildup are more noticeable on a wood floor and can create a bad first impression
- Wood floors are easily damaged due to high traffic and everyday scratches and dents
- Unclean wood floors can quickly cause health and safety risks to your guests and employees

Solutions: Wood floors are worth preserving

- Properly maintained wood floors are easy to clean and hold their beauty for longer
- Quality cleaners and finishes will extend the life of wood floors
- Cleaning wood floors daily will protect your investment and prevent health and safety risks

The Right Choice for Timeless Beauty

Nothing lasts forever, but you can hold back time

The natural beauty of wood floors can quickly fade over time, which is why you need to protect the magnificence of your wood floors by choosing just the right cleaners, finishes and sealers for your floor type.

Water Based

- Water-based wood floor finishes have minimal odor
- They hold a lower viscosity for easier self-leveling
- They dry fast and clear, enhancing the natural beauty in the wood grain

Oil Based

- Oil-based wood floor finishes usually require only one coat
- Over time they dry to an amber color, enhancing the natural beauty of the wood
- They remain strong and durable for decades
- With the proper preparation, they'll adhere to existing oil-modified or water-based coatings

Wood Finishes

Front Court™ Wood Floor Finish *

A one-part, water-based acrylic wood floor finish that delivers quick dry times and crystal-clear results. The self-leveling formula is ready for heavy use after just 48 hours, which means less sports floor downtime. Product may be burnished to enhance shine between applications.

6100000
61110425

2 x 2 gal (Phazer™)
5 gal

Classic 50 Ultra™ Wood Floor Finish *

A high solids, oil-modified wood floor finish that is easy to apply and light in color. This oil-modified urethane solution delivers a deep, high-gloss, hard, resilient finish for most wood floors. A one-coat system with exceptional durability, less downtime and significant labor savings. VOC = 275 g/L

6112265

Showcase the Magnificence of Your Stone Floor

Stone and ceramic floors are icons of strength. That's why you need the right cleaning solutions to showcase their magnificence.

Challenges: Stone surfaces need special care and attention

- Stubborn stains can easily destroy the beauty of stone floors
- Nurturing the natural ambiance of stone can be time-consuming
- Stone is a significant investment that requires careful attention
- Without care, time is an enemy for marble, terrazzo and limestone

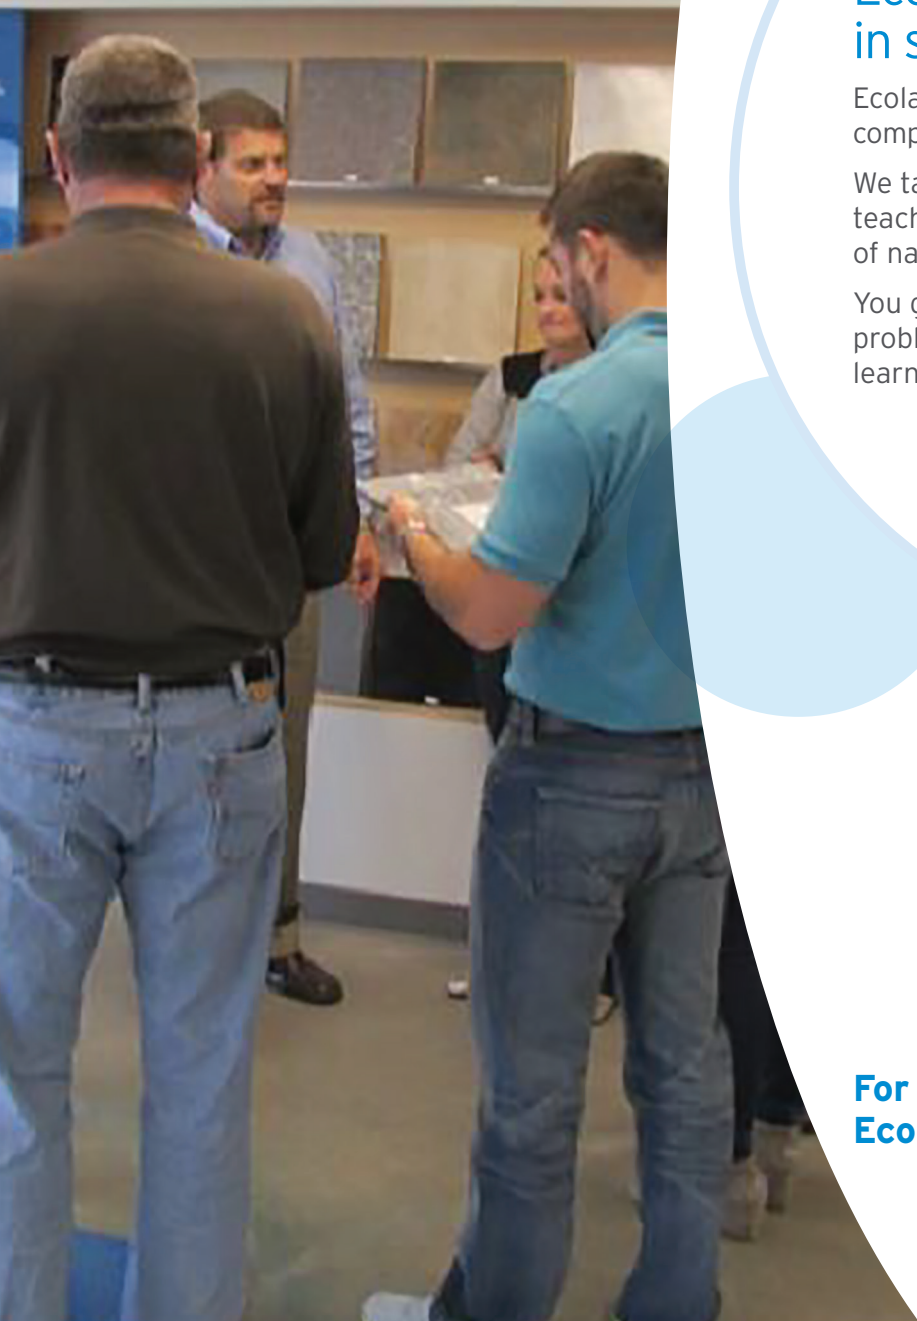

Solutions: Leverage the beauty of your stone floors

- Proven cleaners, polishes and conditioners remove stubborn stains while protecting the stone
- Having regular, easy-to-follow maintenance programs that fit the specific stone's surface needs will keep it looking good for longer
- The right products will bring out the natural beauty of your stone floor

Maintain Your Investment with the Right Training

Stone and ceramic floors represent a significant investment. That's why, at Ecolab, we have a state-of-the-art Facility Care Training Center in Eagan, Minnesota, dedicated to teaching you how to keep your stone looking its best.

FACILITY CARE TRAINING

Ecolab's experts deliver the best in stone care training

Ecolab's two-day stone care class offers a comprehensive approach to natural floor maintenance.

We take you through the basics of geology and teach you how to recognize the different types of natural substrates.

You get hands-on experience in identifying problem areas and how to fix them. Plus you'll learn all about our stone care products.

For more information, contact your Ecolab sales and service associate.

Stone and Tile Cleaners

Pinnacle™ Hard Surface Polish

Aerosol cleaner provides a long-lasting shine, protects surfaces and has a fresh citrus scent. Cleans and polishes natural stone, glazed ceramic, laminates, plastics, vinyl, fiberglass, stainless steel and most painted surfaces.

6127138

12 x 18 oz

Pinnacle™ Floor Cleaner/Conditioner

Concentrated daily cleaner for most types of natural stone to maintain beauty. The neutral cleaner will remove dirt and soils from the stone surface while conditioners will develop a patina over time. Its daily use is essential to any stone care maintenance program.

6170217

4 x 1 gal

Pinnacle™ Traction

An easy-to-use, non-acidic maintenance product that increases the coefficient of friction of any floor material not harmed by water. Pinnacle™ Traction produces a microscopic tread pattern on the floor to raise the coefficient of friction. Does not etch, change the floor appearance or build up.

6170104

4 x 1 gal

Pinnacle™ Intensive Tile Cleaner

Alkaline-based cleaner specially formulated to clean stubborn dirt, oil and grease. Use on vitrified ceramic tiles and porcelain as a periodic deep cleaner or on a regular basis for installations subject to high traffic and soiling.

6170211

4 x 1 gal

Stone and Tile Polishes

Pinnacle™ Marble Polish Paste

Unique, user-friendly paste used to polish, restore and maintain worn marble, travertine, limestone, agglomerates and other calcium-containing materials. It helps enhance water and stain resistance.

6170418

10 lb

Pinnacle™ Granite Polish Cream

Provides the final polish to granite after restoration and can be used as part of a maintenance program to re-polish lightly worn traffic patterns without honing.

6171433

4 x 1 qt

Stone and Tile Polishes

Pinnacle™ Tile Polish # 1

The first part of a two-step program that freshens grout lines and prepares the tile for polishing to a high gloss with the use of CTP-2.

6170411

10 lb

Pinnacle™ Tile Polish # 2

The second part in a two-step program that promotes a high gloss on most vitrified, unglazed ceramic, porcelain and quarry tile floors. Also used to polish epoxy-based terrazzo surfaces.

6170413

10 lb

Specialty Stone and Tile Products

Pinnacle™ Marble Polish Prep

Non-acidic honing powder that assists in the removal of traffic pattern scratches in polished marble, travertine and limestone surfaces when final polishing compounds fail to achieve the desired result.

6170420

2 x 5 lb

Pinnacle™ Marble and Terrazzo Crystallizer

Easy-to-use crystallizer develops a long-wearing gloss on polished terrazzo, marble and limestone floors.

6171300

4 x 1 qt

Pinnacle™ Grout Line Impregnator

Grout line and natural stone impregnator that repels water, soil and grease. The innovative, water-based formula penetrates the pore structure of grout and stone with special oil- and water-repellent polymers and additives.
