Green Key Global Welcomes Ecolab as a Preferred Vendor

(Ottawa, ON) — Green Key Global is pleased to announce that Ecolab, a recognized leader in product safety and sustainability, has been designated as a preferred vendor within the Green Key Global Vendor Program. This milestone highlights Ecolab's unwavering commitment to fostering the health of people, the planet, and businesses over its remarkable 100-year history.

The Green Key Global Vendor Program connects eco-conscious hotels with industry-leading vendors who provide sustainable products and services. With a legacy of excellence, Ecolab is renowned for its science-based solutions and world-class service that enhance food safety, maintain clean environments, and optimize water and energy use.

Ecolab's partnership with Green Key Global is further distinguished by its Chief Sustainability Officer Emilio Tenuta's role on Green Key Global's Board of Directors, reinforcing the alignment of values and shared commitment to sustainability and innovation. Additionally, Ecolab is an Exclusive Platinum Partner of the American Hotel and Lodging Association (AHLA) and the Hotel Association of Canada (HAC).

"We are proud to collaborate with Green Key Global to leverage our expertise in sustainability to help hotel customers succeed and have a positive impact on the world," said **Greg Cocchiarella, Vice President of Industry Relations at Ecolab**. "This partnership reinforces our commitment to enable hotels to improve their environmental performance while enhancing operational efficiencies."

"We are thrilled to welcome Ecolab as a Preferred Vendor," said **Anick Levesque, Managing Director of Green Key Global**. "This partnership will empower hotels across North America with access to innovative solutions, advancing environmental performance in the industry and highlighting Ecolab's vital role within the Green Key Global Vendor Program."

Together, Ecolab and Green Key Global are setting a new standard in the hospitality industry, paving the way for a cleaner, safer, and healthier future.
