Formulated to remove baked-on carbon and grease without cooling your grill. It is the fastest flat-top grill cleaner in the industry and can strip grease build up in just 60 seconds.

Grease Express High-Temp Grill Cleaner is a powerful grill cleaner formulated to remove baked-on carbon and grease without cooling your grill. This fast working flat-top grill cleaner can strip grease build up in just 60 seconds. Cost effective and convenient-to-use packets simplify the cleaning operation.

DIRECTIONS:

1. Turn off grill and scrape to remove the burnt-on soils.
2. While grill is hot, apply a thin coating of High-Temp Grill Cleaner over entire surface and let sit for one minute.
3. Gently scrub grill with grill pad.
4. Squeegee product soils into the grease tray.
5. Wipe grill clean and re-season the grill.

NOTES:

Flat-top grill must be hot when cleaning. Always wear protective equipment. Applying cold water or large amounts of water can severely damage the grill.
