

WIN THE FIGHT AGAINST PESTS

Comprehensive pest program
tailored to your facility's unique needs.

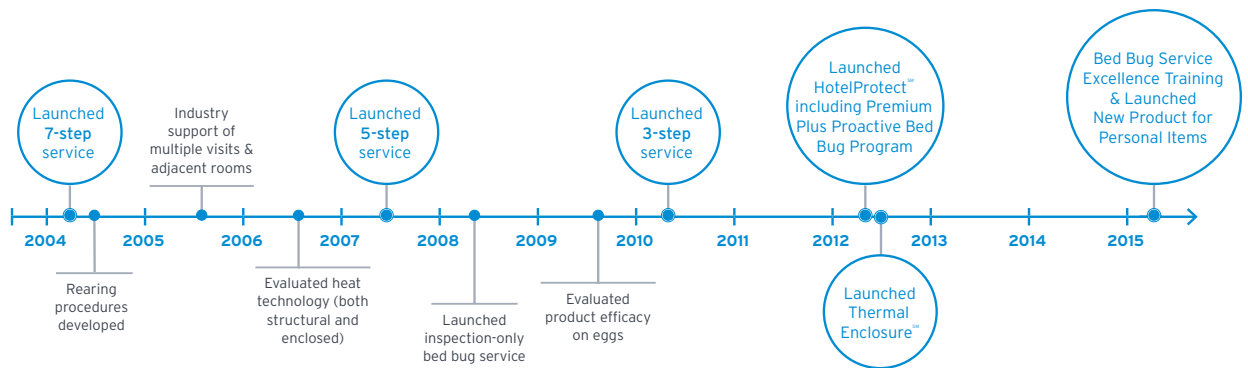

**HOTEL
PROTECT**
Pest Management Solutions for Hospitality

Protect Your Brand and Bottom Line

In recent years, bed bugs have been one of the most challenging pests in the hospitality industry. Ecolab understands this challenge, and places significant investments in research & development to create effective, science-based bed bug solutions. Our dedicated bed bug team examines thousands of bed bugs every week in order to evaluate new products and equipment, ensuring the best tools are made available to our service team and customers.

A HISTORY of industry leadership

THE POWER OF ONLINE REVIEWS

A single incident puts your brand **at risk** due to easy access & increasing popularity of online guest reviews.

facebook

ONE UNFAVORABLE CUSTOMER REVIEW

on Facebook is seen by

over **160** friends
