Deliver exceptional guest experiences

with soft, hygienic clean linens

Following proper laundry procedures are a key part of the effort to create positive experiences for those you employ and serve.

2. Based on Ecolab internal test 2021, Ecolab Liquid Laundry Built Detergent and Tide 2X were tested at medium dose, 115F and 5 gpg water. Industry standard swatches used. Compared to Tide 2X, Ecolab Liquid Laundry Built Detergent is 22% more effective to remove oily food stains, 49% more effective to remove blood, and 27% more effective to remove face makeup.

3. Ecolab Liquid Laundry Program and Ecolab laundry experts, with strong focus on stain removal and rewash reduction, can help potentially reduce your rewash rate to 3-5%. According to Rewash: Money Down the Drain published in 2017 by American Laundry News, the national average reject rate is 3-5%.
