

EFFECTIVE SOLUTIONS FOR LARGE KITCHEN WARE

Ecolab Liquid Manual Detergent

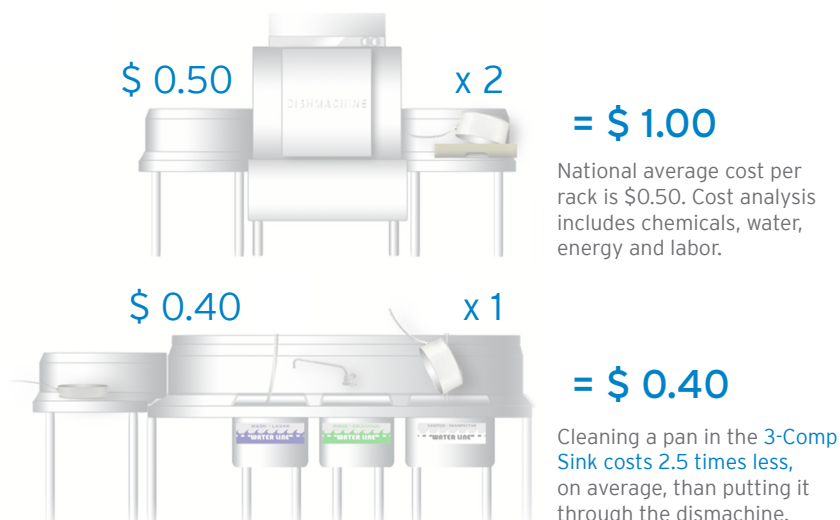

Washing pots and pans in a 3-compartment sink is one of the most cost effective ways to clean them. Ecolab liquid manual detergents are concentrated with ready-to-use dispensing to provide cost control at the sink.

Experience high performing products at the lowest total cost

- ▲ Ready-to-use dispensing helps control costs
- ▲ Tough on food soils, gentle on hands
- ▲ Non-phosphate formulas

Four distinct Ecolab manual liquid detergent products provide solutions to tackle every warewashing challenge for large kitchen ware.
